The Band this year, besides playing very well at halftime in the football games, took a trip to Miami to play for the Lions International Convention. They played fine music down there, besides having a good time. President John Geer made sure they didn't step too far out of line. In their Christmas concert they teamed up with the chorus, to perform the best Christmas program ever.

Two little angels.

The newly formed Algonac High School Choir had a very successful beginning this year. Despite the year's first snow storm, a large and appreciative audience turned out for the Christmas concert to hear the choir display its talent. Added effect was given by the use of special lighting including candles.

Fund raising projects enabled the choir to purchase risers by January. They provided a movable stage when the choir presented their elementary, junior high, and high school assemblies later in the year.

Drums and guitars were added to the piano accompaniment for many of the popular songs sung by the choir at their assemblies and spring concert.

# Spirit Week and Homecoming

Goofy Gary!

By Friday of Spirit Week the Freshmen were officially initiated into Algonac High School. Despite the few near drownings and locker suffocations, they survived, and also learned how to take care of next year's freshmen.

All during the week they had to wear large bow ties to show that they were freshmen. If they didn't, the wrath of the upper class members came down upon them.

The controversial tug of war.

Our Gallant speaker.

Belva's new clothes.

Tough as nails.

Sweet as sugar.

The "Bang-Bang" Babies.

The fire was lit.

During the week the Seniors dressed up according to different decades for their theme, "You've Come A Long Way Baby." The Junior's theme was "Fantasy Land," and their hall was decorated with many storybook characters. On Thursday they came dressed as their characters. The Sophomore's theme was "The Five Days of Spirit Week." The Freshmen's theme was of a graveyard.

I love your tie!

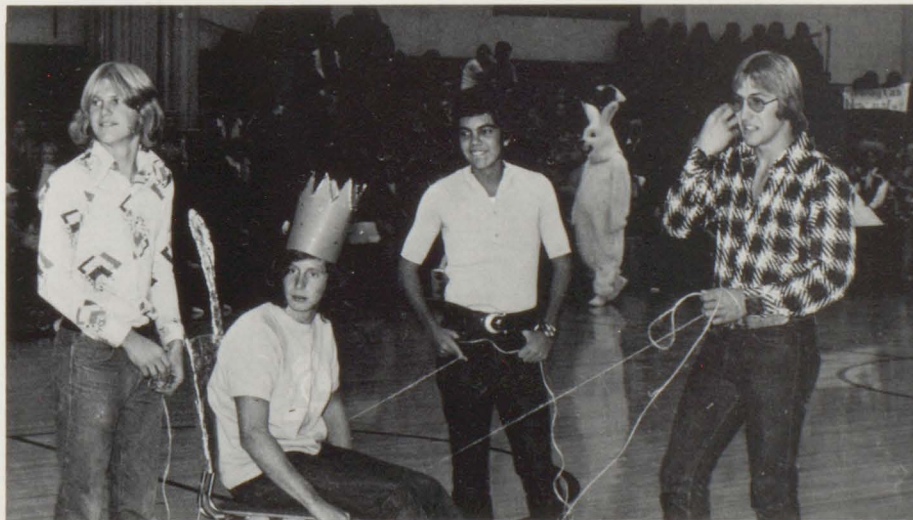

What a mop.

Where are your mittens?

When you got it, flaunt it!

King Rob and his court.

On Wednesday, the Varsity Club held its slave sale. They collected a total of \$187 and Mark Bowerson brought in the highest amount of \$12.

Thursday night was the rally and bonfire. Rob Harrington was crowned King of the Rally, and the parade was a beautiful show. After, the bonfire was lit and everyone gathered around with cider and doughnuts.

And finally came Homecoming night. Karl Osterland accepted the Spirit Jug in behalf of the Senior Class. Cyndi Day was crowned Queen of the Homecoming, while her escort, Pat Smith, kept her standing.

And the Homecoming Queen is . . .

# Student Council

Gail Jacobs (Treasurer), Gayle Wise (President)

During the 1973-74 school year, Student Council has been busy with such events as planning a very successful Homecoming dinner-dance, attending St. Clair Area League meetings, and sponsoring an assembly featuring the musical group, "Life."

One of the highlights of the year was an activities day in which the handicapped children from the intermediate school district participated. It was fun for all.

Hands on the table!

This year the Varsity Club opened its doors to letter-winners on the girls basketball team. Being the most active of all the groups in A.H.S., the club bought an expensive weight machine last spring. The machine has been a tremendous asset to our athletes.

The club is also known for its enjoyment. The Christmas Party and the Millionaire's Party were just two of the more memorable occasions that this year's members participated in. Plans are being made for money-making projects in the future.

They couldn't play football, so . . .

Hey, now I understand!

Craps anyone?

# Speech and Drama

If at first you don't succeed, try, try again.

#&%\*¢!

The Speech and Drama Club, under the supervision of Mr. Ronald Trumble, have performed for over 5000 persons per year. They've performed at the Pickeral Tournament stage show, at assembly programs for the Algonac, Fair Haven, Pte. Tremble, and Harsens Island Elementary Schools, High School assemblies, Senior Citizens Banquets, and evening shows for parents and children. Among their many performances, they've done speeches, pantomimes, monologues, speech activity demonstrations, skits, and plays.

OND ROW: Cindy Besaw, Sue Fecteau, Lynn Newbeck, Maureen Welch, Cindy Smith, Jim Smith.  
BACK ROW: Kyle Houston, Walk-on, Jerry Smith, Jim Way.

The Paper Staff, along with their advisor Mr. Dennis Kelly, has worked on producing this year's *Algonquin*. The editor is Helen Lessenthien, assistant editor is Maureen Welch, and the managing editor is Kendall Wingrove. Last summer two students were sent to Northwood Institute for a journalism class, and this summer they'll be attending Ohio State University.

In Child Development class, students learn about the physical, mental, social, and emotional development of younger children. By planning a Children's Day at Pointe Tremble Elementary, the high school students are given a chance to apply this knowledge.

The Girls Athletic Association had three teams for field hockey this year by adding freshmen to the club. There was also a good turnout for volleyball, with more matches played than any other year.

The G.A.A. Pajama Party is always something great to look forward to — especially the talent show and Mrs. Stringer's feast!

The Annual Swim and Activities Day at Marysville is attended by all schools in the league. It's a nice opportunity to get to know the girls from the other schools.

The Latin Club enjoys studying about the marvels of ancient Rome, "the flaming pageant of the rise of Rome from a crossroads born to world mastery" . . . (Durant) . . . This is the content of the studies of the Latin classes. A group of ten were privileged in April to see this ancient city for themselves.

The Football Team finished their season with a 3-6 record. The Muskrats played inconsistently throughout the season although playing well at times. The team finished strong, outscoring their opponents in the last 4 games 65-17. John Geer and John Moran (co-captains), led the defense while Lee Sysmanski gained over 200 yards in each of the last two games. John Geer also was named to SCAL all-league team as a linebacker.

# Varsity Basketball

Tom Lozen

This year's basketball team made a vast improvement from the previous year tripling their win total. Led by Seniors Will Coughlin, Tom Lozen, and John Sauber the Muskrats frightened many teams with their height and sometimes deadly shooting. Although inconsistent throughout the year, the Muskrats played a major roll in the standing of the S.C.A.L.

The J.V. football and basketball teams had contrasting seasons this year. The J.V. football composed mostly of freshmen had a rugged time. But their record could have been completely different if they hadn't made a few key mistakes.

The basketball team did well this year with a well balanced offensive and defensive attack. They were probably the best team in the J.V. league.

The Wrestlers completed a fine season this year taking second in the S.C.A.L., Goodrich, and St. Clair Shores tournaments. The Muskrats were led by Senior Co-Captains John Geer and Rick Arpan. Geer set records for most career pins — 28 and most pins in a season — 22, while being S.C.A.L. champ. Arpan also was the league heavy weight champion while collecting 24 wins. Steve Goerlich became the first sophomore to win more than 30 matches in his first two seasons.

This year Algonac added a touch of sugar and spice to A.H.S. in the form of the first girls' interscholastic basketball teams. The Varsity and J.V. teams began practice during the summer months, making it pay off later in the season. The J.V. ended 7-7, and the Varsity with an 11-3 record, and winning the District Championship in the state tournaments.

Although the teams are still young, they prove to be the ones to beat in the years to come.

The Cross Country team finished its dual meet season 5-7 overall and 2-4 in the league. The team finished 6th in the league meet, with Pat Fisher finishing a strong 18th. Bob Vandebossche and Pat Morrison were voted co-captains for the year, and Bob Vandebossche was named the most valuable runner.

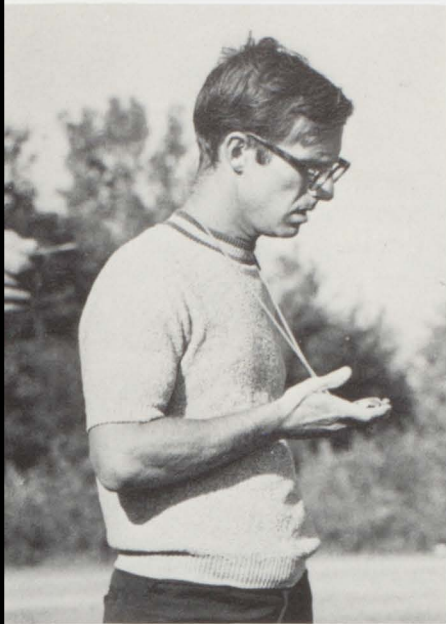

The Algonac Track Team finished with a 2 win-5 loss record in SCAL meets. Ron Currier led the track sprinters while leading the Muskrats in the 100, 220, and 440 yard dashes. It was the first year the Muskrats had three shot-putters that threw over 40 feet. The J.V. Track Team won the SCAL title, led by Lee Szymanski and Greg Poole.

# Tennis

FRONT ROW: Al Hick, Joe Lewandowski, Dan Hartman, Frank Cona, Matt Cuomo. SECOND ROW: Dorothy Rietzler, Dave Rice, Dave DuVernay, Rob Harrington, Lou Jezdimir, Frank Sass, Kendall Wingrove.

The Tennis team had a fine season with a 10-7 won-lost record (five of the seven losses were by one point), and finished off the year by capturing the SCAL Tournament Championship. Algonac had both the singles and doubles champions — Jorge Isaac defeated Marysville's No. 1 6-0, 6-4, and Gary Prudhomme and John Sauber defeated Marine City's No. 1 in doubles. This tennis team also produced Algonac's first female varsity letter-winner, Dorothy Rietzler.

The Golf team, under coach Mr. Duva, achieved a 2 win-5 loss league record, and obtained 4th place in the league meet, setting a new school record of 168 for 9 holes.

The J.V. baseball players gave moral support through the whole season.

The Polish answer to Paul Newman.

I didn't do it!

Two big wheels.

This year Miss Eleanore Jablinski will retire after completing 36 years of teaching mathematics and science.

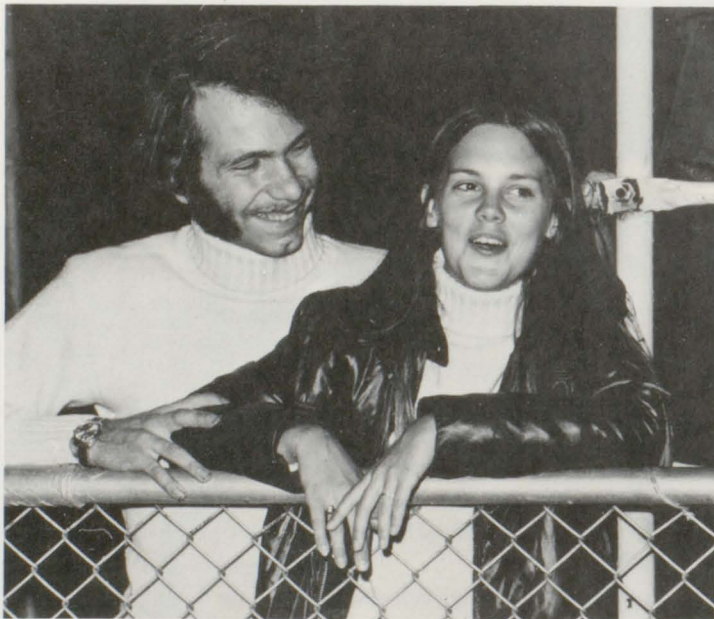

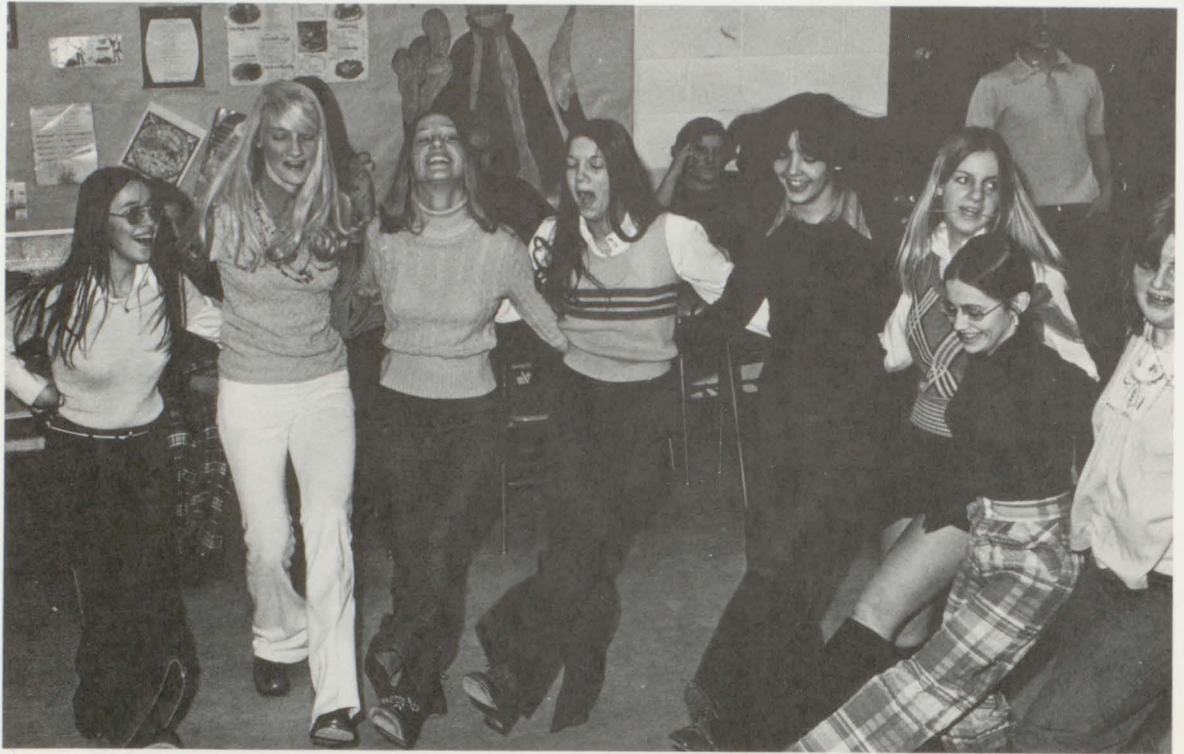

Miss Jablinski was raised in Toledo, Ohio and received her bachelor's degree from Toledo University. From there, she went for her master's degree at the University of Michigan in Secondary Education and mathematics. She has also attended Purdue University on a Mathematics Fellowship, and the University of Detroit. She is currently a member of Pi Mu Epsilon, a National Honorary Mathematics Fraternity.

Before coming to Algonac High School, Miss Jablinski taught in a school in Caledonia, outside of Grand Rapids, for 5 years. Besides teaching all mathematics courses, she has also taught General Science, Chemistry, and Physics.

Miss Jablinski was advisor for the Student Council for 10 years, and has been the advisor for the National Honor Society.

She has been a very special part of Algonac High School, and will long be remembered, and missed.

# Exchange Students

Jorge Isaac, one of our exchange students from Barranquilla, Colombia, came to A.H.S. in January of 1973. He has been staying with the Appelman family of Algonac.

Jorge has been the top player on our tennis team, and has pulled A.H.S. through many games and tournaments with flying colors. His excellent ability and sportsmanship in tennis won him League Championship, and led him to win the Regionals.

He plans on graduating at Algonac High School with the class of '74.

Efrain Isaac, Jorge's brother, also from Barranquilla, Colombia, began attending A.H.S. in September of 1973. He is currently staying with the Angers family of Algonac. He plans on returning to Colombia in June of 1974.

His curriculum includes Spanish, Physiology, Algebra, Geometry, and American History.

## *“Pete”*

Alfred “Pete” Stager died unexpectedly on the morning of January 9, 1974 while plowing snow from the school parking lot.

He was a former village councilman and village president, Clay Township police officer, president of the Lions’ Club, and parade marshal for the Pickeral Tournament.

He has been working for the school since 1962, and was a good friend of many of the students. He was always at the top of things, and we know he has made his way to the top once again.

Sue Hiller and Karen Fecteau, Senior Editors

Mr. Weitzel, Advisor; Rusty Chatfield, Junior Editor

The 1973-74 Yearbook Staff, along with our advisor, Mr. Weitzel, started the new school year with vigor and vitality. We worked hard every day doing layouts, developing, printing, typing, and editing. As each deadline approached, we could always count on Vicki Page for some added excitement (in one way or another).

We would like to thank Liz Gerber, Frank Balduck, and Roger Peterson for taking pictures and working in the darkroom.
